Sale Description:

A different type of sale. At least for us it is. We have 2 sofas, a nice tan recliner, very high quality table and matching end tables – these are very heavy. A blonde bedroom set with complete mirror, stool and night stand. Most interesting items include an antique electric belt weight loom and it works. Also, a very old exercycle, also electric and it too works. Another antique piece something to see. And, yes, it works too. This lady was a beautiful seamstress so I have fabric. I also have craft items for making you name it. An array of tools, quite a bit of kitchen ware, etc.

purses, odds and ends and so forths. Did I mention vintage clothes? I have filled 4 closets full of evening, formals, casual, lots have sequins on them, lots of sparkle in these awesome items new sweat shirts. Beautiful coats for every occasion. Most all clothing pieces are 2X, a few 3X pieces. A person who loved holidays lived here so, consequently, we have lots of Christmas some Halloween. I have walkers – real nice ones if someone is in need of such an item and a few pieces of vintage small electric appliances.
